Technical drawing of a rectangular box. The overall height is 80. The height of the upper section is labeled as min. 70. The height of the lower section is 20. The width of the box is 35. The drawing includes labels for 'výst.' (output), 'kabe' (cable), and 'písk' (sand). Dimensions are given in millimeters (mm).

Diagram illustrating the cross-section of a cable tray installation. The tray has a height of 50 mm. The top surface is labeled "výstraž. fólie" (warning foil). The side wall is labeled "šterk" (stiffener). Two cables are shown, labeled "kabel NN 0,4 kV". They rest on sand beds, labeled "pískové lože". Dimensions include 8 mm for the gap between the tray bottom and the sand bed, and 35 mm for the width of the sand bed.
